## Mission Statement

The mission of the Geneva Township Center shall be to act as the primary community resource to serve all citizens of Geneva Township by enriching the social and intellectual life of our older adults; helping our older adults contribute to the well being of our community as effective and useful citizens of the township; helping those approaching or in retirement to plan appropriately; organizing community interest in improving the overall climate of living for our older residents; decreasing the sense of isolation and dependence that often accompanies old age; and, helping our older adults meet practical problems attendant with aging.

## March Book Choice

***Gray Mountain* by John Grisham** is the book club's choice this month. The year is 2008 and Samantha Kofers' career at a huge Wall Street law firm is on the fast track—until the recession hits and she gets downsized, furloughed, and escorted out of the building. Samantha, though, is one of the “lucky” associates. She's offered an opportunity to work at a legal aid clinic for one year without pay, after which there would be a slim chance that she'd get her old job back. Join the discussion on **Tuesday, March 28 @ 10:00.**

## Constitution Alive! Series

This series goes article by article through the Constitution and the Bill of Rights, and explains executive orders, the Electoral College, the powers of Congress and the President, freedom of religion, and more. We'll show a portion of the series on **Wednesday, March 8<sup>th</sup> and 22<sup>nd</sup> at 1:00 pm** with a running time of close to one hour both days. If there's interest, additional portions of the series will be shown.

## Hearing Screening

There will **not** be a hearing screen at the Center in March. The next screening will be conducted on **Monday, April 10 at 9:30am.**
