Re: Hattie, Salvation Army Lunch Site Manager

Sheri stated her concern as to the way Hattie treats the volunteers who help with the lunch program; specifically Mary Fitzsimmons.

Supervisor Jaeger and Sheri interviewed Hattie before she started work at the Geneva Township Senior Center. Part of the interview centered on how she would work with volunteers.

Hattie took it upon herself to send Mary Fitzsimmons to help at the St. Charles lunch site. That was not her responsibility.

Sheri sent an email to the Major in charge of the Salvation Army lunch program explaining the situation. She indicated to him that their program must blend with the senior center program.

Trustee Brazill was concerned that Hattie was bringing her young daughter to the center during her work hours.

It was the consensus of the trustees to have Supervisor Jaeger and Sheri speak with the director of the Salvation Army lunch site program.

No decisions were made in Executive Session.

Executive Session ended at 8:45 p.m.

Respectfully submitted,

Barbara E. Olson

Township Clerk
